SKIN
(R)EVOLUTION

TOP QUALITY SKIN (R)EVOLUTION

Nohra Rêver, top quality brand, derives from the need of a niche market more demanding and attentive to the organoleptic qualities and the nutritional and functional properties even in the products of everyday use. A long-term research in the cosmetic field has led to the discovery of the best natural active ingredients with emollient, moisturizing and nourishing effects, which are the fundamental components of creams, serums and emulsions of Nohra Rêver.

With light textures and high tolerance even for the most sensitive skins, the wide range of Nohra Rêver products has safe formulations studied and developed by a team of Italian experts and specialists in the field to give the experience of sensory revival in every beauty treatment. The sensory fragrances of Nohra Rêver emulsions complete the sensation of health and harmony, and favor both a dermal rebalancing and an energetic and relaxing rebalancing that involves all five senses. An absolute cosmetic innovation helps to reactivate normal skin functions wherever you need it.

NOHRA RÊVER COSMÉTIQUE

CLEANSING MILK
+ TONER
FORMULA 2:1

Nohra Rêver Cleansing milk + toner 2:1 is a creamy fluid with an extraordinary texture designed for daily cleaning of all skin types. It gives brightness to the dull and fatigued epidermis. With the extract of the Moringa Oleifera plant, it cleanses and protects the skin deeply from particles of smog and dirt. The formula 2:1 allows, in a single step, to combine the cleansing milk with the purifying toner. The water-soluble derivative of Babassu Oil contained in this product, with proven emollient properties, is able to remove the makeup residues deeply, keeping the hydro-lipid balance of the epidermis. The active ingredients of Argan Oil gives the skin the right hydration and makes it elastic. Moringa extract that has a purifying effect, combined with Jojoba Oil, regulates sebum production with anti-inflammatory effects. The oils are deep absorbed so that the skin receives right hydration. In addition, Babassu extract and Allantoin have excellent moisturizing and antioxidant properties. We recommend applying it with a light massage, or with a soaked cotton pad, on the face, neck and décolleté, and then rinsing the skin thoroughly.

WITHOUT: Parabens - Mineral Oils - Paraffin - Formaldehyde - Silicones
WITH: Plant Active Ingredients
Dermatologist-tested

Nohra Rêver Cleansing Milk + Toner 2:1 contains:

- Argan Oil: nourishing, protective and antioxidant properties.
- Vitamin E: anti-aging.
- Moringa Extract: purifies and protects the skin completely from the particles of smog and dirt.
- Jojoba Oil: with excellent protective qualities, it is also a great moisturizer for the skin because it penetrates quickly, making the skin silky and smooth.
- Babassu Extract: emollient that can remove makeup residues deeply while keeping the hydro-lipid balance of the epidermis.
- Allantoin: light keratolytic that highly hydrates.

INGREDIENTS: Aqua, Ethylhexyl Stearate, Cetearyl Alcohol, Babassu Oil Glyceryl-8 Esters, Cetareth-25, Glycerin, Simmondsia Chinensis Seed Oil, Argania Spinosa Kernel Oil, Glyceryl Stearate, Moringa Pterygosperma Seed Extract, Maltodextrin, Tocopheryl Acetate, Cetareth-12, Allantoin, Panthenol, Carbomer, Sodium Hydroxide, Lactic Acid, Parfum, Phenoxyethanol, Ethylhexylglycerin, Benzyl Alcohol, Dehydroacetic Acid, Hexyl cinnamal, Limonene, Linalool.

NOHRA RÊVER COSMÉTIQUE

MICELLAR WATER
MAKE-UP REMOVER

Nohra Rêver Micellar Water is an effective product for cleansing facial skin and gently removing all traces of makeup. It cleans the epidermis deeply by moisturizing the skin without attacking the hydro-lipid barrier of the dermis.

This Micellar Water, based on Distilled Water of Chamomile, Extract of Spruce and Olive, with a single step, moisturizes and soothes without attacking the skin, and meanwhile giving a feeling of freshness. It doesn't need rinsing. To keep skin in a perfect condition through essential steps, an adequate beauty routine always starts from cleansing the face.

We recommend applying morning and evening a few drops of Nohra Rêver Micellar Water on a cotton pad or with the fingertips to gently remove dirt and traces of makeup on the face, neck and décolleté.

It is a delicate lotion but cleans all impurities thoroughly.

WITHOUT: Parabens - Silicones - Mineral Oils - Alcohol - Paraffin - Formaldehyde.
WITH: Plant Active Ingredients
Dermatologist-tested

Nohra Rêver Micellar Water contains:

- Distilled Camomile Water: with high content of flavonoids it has excellent soothing and antioxidant properties.
- Red Spruce Extract: antioxidant effect.
- Olive Extract: ensures perfect hydration.
- Surfactant: delicate with cleansing action.

INGREDIENTS: Aqua, Glycerin, Chamomilla Recutita Flower Water, Coco-Glucoside, Glyceryl Oleate, Olea Europaea Leaf Extract, Hydrolyzed Pea, PEG 40 Hydrogenated Castor Oil, PPG 26 Buteth 26, Pentylene Glycol, Picea Abies Extract, Lonicera Caprifolium Flower Extract, Lonicera Japonica Flower Extract, 1,2-Hexanediol, Caprylyl Glycol, Tropolone, EDTA, Parfum, Cinnamyl alcohol, Linalool.

COSMÉTIQUE

MOISTURIZING CREAM
Effect 24H

The concentrated formulation of Nohra Rêver 24H Cream super-hydrating actives promotes the restoration and good maintenance of the acidic hydrolipidic film. Its exceptional moisturizing activity is ensured by the presence of Hyaluronic acid formula that plays the fundamental role of giving volume to the skin, filling the extracellular spaces and bringing water to the tissues.

The moisturized skin appears obviously radiant, it looks relaxed, toned and soft. The wrinkles are smoothed, and the facial feature are restored to density, volume and thickness. Nohra Rêver Moisturizing Cream ensures an integral moisturizing and protective action reinforced by the presence of Aloe Vera and Lily flower with soothing and regenerating virtues. The richness of flavonoids and the strong antioxidant properties protect the cells from aging. The sun protection factor in the cream fights against photoaging.

Our advice is to apply Nohra Rêver Moisturizing 24H Cream every day, morning and evening, to cleansed skin on face, neck and décolleté until completely absorbed.

WITHOUT: Parabens - Mineral Oils - Paraffin - Formaldehyde - Silicones

WITH: Plant Active Ingredients
Dermatologist-tested

Nohra Rêver Moisturizing 24H Cream contains:

- Hyaluronic acid: an active ingredient of biotechnological origin without animal derivatives.
- Ceramides: regulate and maintain the water balance of the stratum corneum by participating in the formation of the protective barrier and reducing the loss of water content within the stratum corneum.
- Organic Aloe Vera Extract: a veritable mine of active ingredients. It extracts juices from leaves that contains more than 200 functional substances capable of performing, at the skin level, an effective anti-reddening action. The extract of the condensed Aloe juice has shielding power against UVB radiation and erythema. In addition to filtering, it performs a positive soothing function.
- White Lily Extract: it has soothing and regenerating virtues due to the richness of flavonoids with its strong antioxidant properties.
- Organic Sweet Almond Oil: highly used in cosmetics for its softening, emollient and nutritive properties. It is recommended in all cases of dry, dehydrated and early aged skin.

INGREDIENTS: Aqua, Argania Spinosa Kernel Oil, Persea Gratissima Oil, Glycerin, Glyceryl Stearate Citrate, Cetearyl Alcohol, Butyrospermum Parkii Butter, Glyceryl Stearate, Prunus Amygdalus Dulcis Oil, Simmondsia Chinensis Seed Oil, Ethylhexyl Salicylate, Ethylhexyl Methoxycinnamate, Sodium Hyaluronate, Aloe Barbadensis Leaf Extract, Liliun Candidum Extract, Tocopherol, Ceramide NS, Trehalose, Cholesterol, Hydrogenated Lecithin, Ethylhexylglycerin, Parfum, Phenoxyethanol, Xanthan Gum, Benzyl Alcohol, Sodium Benzoate, Potassium Sorbate, Dehydroacetic Acid, Lactic Acid, Hexyl cinnamal, Butylphenyl Methylpropional, Limonene, Eugenol.

NOHRA RÊVER

COSMÉTIQUE

MOISTURIZING SERUM
INTENSIVE EFFECT

Suitable for all skin types, the super concentrated Nohra Rêver Moisturizing Serum improves skin texture and maintains its firmness and elasticity. With a pleasant refreshing effect, it moisturizes thoroughly by enhancing the splendor and texture of the skin thanks to the mixture of hyaluronic acid and plant collagen that nourishes the connective tissue. Aloe vera, with its prodigious moisturizing properties, helps to soften and smooth the skin, making it silky.

Argan oil combined with linoleic acid and vitamin E restructures the skin base, smooths wrinkles and moisturizes the skin deeply. We recommend applying Nohra Rêver Moisturizing Serum morning and evening on cleansed skin with a gentle massage on face, neck and décolleté, until completely absorbed. Also applicable before makeup.

WITHOUT: Parabens - Mineral Oils - Paraffin - Formaldehyde - Silicones - PEG

WITH: Plant Active Ingredients
Dermatologist-tested

Nohra Rêver Intensive Moisturizing Serum contains:

- Hyaluronic Acid: deeply moisturizes the connective tissue, visibly replenishes the skin.
- Phyto Collagen: derived from the Acacia Collagen plant, very similar to the skin molecule, it stimulates the production of connective tissue by refreshing the skin.
- Aloe Vera extract: super moisturizing effect.
- Argan Oil: containing vitamin E and fatty acids, it nourishes and protects the epidermis, and reduces signs of aging.

INGREDIENTS: Aqua, Arachidyl Alcohol, Isostearyl Isostearate, Dicaprylyl Carbonate, Coco-Caprylate/Caprate, Behenyl Alcohol, Arachidyl Glucoside, Argania Spinosa Kernel Oil, Phenoxyethanol, Glycerin, Aloe Barbadensis Leaf Extract, Sodium Hyaluronate, Chondrus Crispus (Carrageenan) Extract, Acacia Senegal Gum Extract, Potassium Cetyl Phosphate, Ethylhexylglycerin, Liliun Candidum Bulb Extract, Sodium Benzoate, Potassium Sorbate, Carbomer, Lactic Acid, Sodium Hydroxide, Parfum, Benzyl Alcohol, Dehydroacetic Acid, Disodium Sodium Gluconate, Lithothamnium Calcarum Extract, Butylphenyl Methylpropional, Hexyl cinnamal, Limonene.

NOHRA RÊVER COSMÉTIQUE

EYES-LIPS SERUM
FILLER-LIFTING EFFECT

Nohra Rêver Eyes-Lips Serum is a pure Hyaluronic acid gel with a pleasant, fresh and delicate feeling, provides hydration and protection to the sensitive eye-lip contour area, helping to prevent expression wrinkles. Hyaluronic acids of different molecular weight promote collagen synthesis for an elastic skin, stretching the skin surface and hydrating it deeply.

In addition, Inositol, B Vitamins, reactivates cellular respiration and rebalances skin metabolism. Its energizing function is effective in improving microcirculation, cellular cohesion and to counteract skin aging. Phyto-complex of vasoprotective substances such as Ruscus, Centella and Calendula, panthenol and yeast proteins, also helps to prevent the formation of unsightly bags.

The Eyes-lips serum, ideal for even the most sensitive skins, performs in a few moments an intense antiaging action, super moisturizing, lifting, filling of the eye-lip contour areas.

Apply a few drops of gel on the eyelids and the outer periorcular area. Gently massage with circular movements in the entire ocular area until completely absorbed.

WITHOUT: Parabens - Mineral Oils - Paraffin - Formaldehyde - Silicones - PEG - Alcohol

WITH: Plant Active Ingredients

Dermatologist-tested

Nohra Rêver Eyes-Lips Serum contains:

- Hyaluronic Acid 100-10 KDa (very low molecular weight): super Moisturizing, filling, replenishing effect.
- Hyaluronic Acid 2200-1800 KDa (high molecular weight): anti-dehydration, lifting and firming effects.
- Inositol: reactivates cellular respiration and rebalances skin metabolism.
- Phyto-Complex (Ruscus, Centella, Calendula, Panthenol and Yeast proteins): plant complex of vasoprotective substances, draining, anti-bags and anti-dark circles.

INGREDIENTS: Aqua, Glycerin, Sodium Hyaluronate, Panthenol, Escin, Ruscus Aculeatus Root Extract, Ammonium Glycyrhizate, Centella Asiatica Extract, Calendula Officinalis Flower Extract, Butylene Glycol, Hydrolyzed Yeast Protein, Inositol, 1,2-Hexanediol, Caprylyl Glycol, Tropolone, Sodium Gluconate.

NOHRA RÊVER COSMÉTIQUE

ANTI AGE SERUM
LIFTING EFFECT

Nohra Rêver Anti Age Serum is a very precious formula that contains such actives with a lifting, anti-aging and repairing action. It contains stem cells from Swiss Apple, enhanced by Argan Oil, Hyaluronic acid and Cyclodextrins that ensure protection in every aspect.

It is advisable to apply morning and evening on face, neck and décolleté and gently massage with small circular movements and complete with Nohra Rêver Anti Age Specific Cream. It is also ideal as a base for makeup.

WITHOUT: Parabens - Mineral Oils - Paraffin - Formaldehyde - Silicones - PEG

WITH: Plant Active Ingredients

Dermatologist-tested

Nohra Rêver Anti-Aging Serum contains:

- Apple Stem Cells: extracted, by using an innovative technology, from a rare Swiss apple, plant stem cells that can protect the skin's cellular longevity. Efficacy studies have shown that this high-tech active ingredient has anti-wrinkle, protective effects against UV radiation, and stimulating the longevity of fibroblasts.

- Hyaluronic Acid: a strongly hydrophilic dermic macromolecule, which maintains the correct skin moisture, the skin health and the perfect functioning of the hydrolipidic surface film.
- Organic Argan Oil: with thousands of virtues, it is always used by women in Morocco for its rebalancing, protective and firming properties. This oil, rich in high doses of unsaturated fatty acids, linoleic acid and vitamin E, has the ability to stimulate vital cell functions, and restructure the skin base, smoothing wrinkles and moisturizing deeply.
- Hydroxypropyl-Cyclodextrins: concentrated solution of cyclodextrin, starch derivatives, remarkable elastic effects and moisturizing properties.

INGREDIENTS: Aqua, Arachidyl Alcohol, Isostearyl Isostearate, Dicaprylyl Carbonate, Behenyl Alcohol, Coco-Caprylate/Caprate, Arachidyl Glucoside, Argania Spinosa Kernel Oil, Malus Domestica Fruit Cell Culture Extract, Xanthan Gum, Lecithin, Propanediol, Glycerin, Sodium Lactate, Glycolic Acid, Sucrose, Urea, Sodium Citrate, Malic Acid, Tartaric Acid, Sodium Hyaluronate, Phenoxyethanol, Benzyl Alcohol, Dehydroacetic Acid, Ethylhexylglycerin, Potassium Cetyl Phosphate, Acetyl Hexapeptide-8, Carbomer, Parfum, Chondrus Crispus (Carrageenan) Extract, Sodium Hydroxide, Alcohol, Acmella Oleracea Extract, Hydroxypropyl Cyclodextrin, Lithothamnium Calcarum Extract, Pentylene Glycol, Lactic Acid, Sodium Gluconate, Citronellol.

NOHRA RÊVER

COSMÉTIQUE

ANTI AGE CREAM PLUMPING EFFECT

Precious Nohra Rêver Anti Age Cream that contains highly effective ingredients, thanks to the use of Swiss Apple's plant stem cells, enhanced by hyaluronic acid, make Nohra Rêver Anti-Age Cream an elixir that slows the aging of epidermal cells, smooths facial wrinkles and rejuvenates the skin while maintaining its beauty. The Anti Age Cream Plumping Effect smooths the expression wrinkles on the face and neck and fights against sagging, tightens and reshapes facial contours thanks to the Hexapeptide - Acetyl Hexapeptide-8 - with strong anti aging properties, similar to botulinum. Moreover, the high concentration of polysaccharides, extracted from a New Zealand fern, forms an elastic, continuous and resistant lattice that provides the skin a lifting effect, which leads to the reduction of fine lines.

A treatment not only of care, but also of prevention thanks to the use of UVA-UVB filters. Apply morning and evening on face, neck and décolleté by massaging gently with small circular movements to intensify the result.

WITHOUT: Parabens - Mineral Oils - Paraffin - Formaldehyde - Silicones
WITH: Plant Active Ingredients
Dermatologist-tested

Nohra Rêver Anti Age Cream contains:

- Stem cells from Swiss Apple: strong anti-wrinkle and anti-aging properties.
- Hyaluronic acid: super moisturizing effect.
- Organic Argan Oil: provides anti-radical, protective, soothing and healing effects.
- Hexapeptide-Acetyl hexapeptide-8: anti-aging, botulinum-like properties.
- Polysaccharides: lifting, extracted from a New Zealand fern, with immediate and long-lasting lifting effect.
- UVA-UVB filters: provides protection against external aggression.

INGREDIENTS: Aqua, Isononyl Isononanoate, Isostearyl Isostearate, Argania Spinosa Kernel Oil*, Glyceryl Stearate SE, Dicaprylyl Carbonate, Sorbitol, Arachidyl glucoside, Behenyl alcohol, Arachidyl alcohol, Cetearyl Glucoside, Cetearyl Alcohol, Sodium Potassium Aluminum Silicate, CI 77891 (Titanium Dioxide), Silica, Malus Domestica Fruit Cell Culture Extract, Xanthan Gum, Glycerin, Lecithin, Sodium Hyaluronate, Phenoxyethanol, Parfum, Benzyl Alcohol, Dehydroacetic Acid, Ethylhexylglycerin, Potassium Cetyl Phosphate, Ethylhexyl Methoxycinnamate, Cyanthea Cumingii Leaf Extract, Glyceryl Caprylate, Cinnamic Acid, Levulinic Acid, Sodium Levulinate, Hexapeptide-8, Tocopheryl Acetate, Lactic acid, Ethylhexyl Salicylate, Sodium Gluconate, Alpha-isomethyl ionone, Cumarin, Citronellol, Linalool, Hydroxycitronellal, Geraniol, Limonene.

COSMÉTIQUE

ILLUMINATING CREAM BRIGHTENING EFFECT

Nohra Rêver Illuminating Cream containing the illuminating and brightening effects of the watercress, enhanced by genistein, acts quickly and effectively in the deeper layers of the epidermis, reducing discoloration and skin blemish. It acts on the inhibition of tyrosinase by blocking the formation of melanin, fighting against the blemishes of irregular pigmentation and illuminating the epidermis. The sun protection factor fights against the photoaging. Shea butter, with the richness of fatty acids, vitamins and unsaponifiable, improves the skin's radiance and in particular maintains its natural firmness. Vitamin A and E, with antioxidant properties, prevents the formation of free radicals, and protects the epidermis. Finally, the royal jelly, due to its precious contents in vitamins, minerals and sugars, helps to revitalize, nourish and donate deep hydration to the skin.

WITHOUT: Parabens - Mineral Oils - Paraffin - Formaldehyde - Silicones

WITH: Plant Active Ingredients
Dermatologist-tested

Nohra Rêver Illuminating Cream contains:

- Dimethylmethoxy Chromanyl Palmitate: brightening and illuminating effects, fight against photoaging.
- Watercress and Genistein: have brightening properties to reduce the appearance of dark spots.
- Solar filters: protective action.
- Pure Royal Jelly: revitalizes, nourishes and hydrates the skin deeply.
- Shea Butter: elasticizing property that helps to make the skin extra soft and supple.
- Vitamin A and E: antioxidant and anti-aging properties.
- Natural powders: soft-focus effect.

EYE CONTOUR CREAM
SMOOTHING EFFECT

Nohra Rêver Eye Contour Cream is a cosmetic treatment designed to prevent small wrinkles of the eye contour and reduces unsightly bags and dark circles, effectively stimulating the epidermal cells, restoring the skin brightness, firmness and smoothness. Its rich and pleasant texture combines a soft and refined fragrance without allergens, ideal for the delicate area of the eye contour. It is recommended to apply the cream on the periocular area with circular movements until completely absorbed.

WITHOUT: Parabens - Mineral Oils - Paraffin - Formaldehyde - Silicones
WITH: Plant Active Ingredients
Dermatologist-tested

Nohra Rêver Eye Contour Cream contains:

- Active complex of Ruscus, Centella and Calendula, Panthenol, Yeast Proteins: effectively reinforces skin's hydration, elasticity, and toned appearance at capillary walls level, soothes the typical reddened areas of the most sensitive skins, and ensures hydrating effect.
- Hyaluronic Acid: super moisturizing effect.
- Plant Collagen: it has stimulating and replenishing properties.
- Aescin: performs a protective, venotonic and draining vessel action.

INGREDIENTI: Aqua, Persea Gratissima Oil, Glycerin, Glyceryl Stearate Citrate, Ethyl Hexyl Cocoate, Cocos Nucifera Oil, Cetearyl Alcohol, Butyrospermum Parkii Butter, Glyceryl Stearate, Prunus Amygdalus Dulcis Oil, Simmondsia Chinensis Seed Oil, Sodium Hyaluronate, Panthenol, Escin, Ruscus Aculeatus Root Extract, Ammonium Glycyrrhizate, Centella Asiatica Extract, Ethylhexylglycerin, Hydrolyzed Yeast Protein, Calendula Officinalis Flower Extract, Hydroxypropyl Cyclodextrin, Acacia Senegal Gum Extract, Lonicera Caprifolium (Honeysuckle) Flower Extract, Hydroxyethylacrylate/sodium acryloyldimethyl taurate copolymer, Lonicera Japonica (Honeysuckle) Flower Extract, Butylene Glycol, 1,2-Hexanediol, Caprylyl Glycol, Tropolone, Squalane, Polysorbate 60, Xanthan Gum, Tocopherol, Lactic Acid, Parfum.

COSMÉTIQUE

BODY EMULSION NOURISHING ELASTICIZER

Nohra Rêver Body Emulsion is fluid, nourishing and emollient. Ideal treatment to give a deep and immediate hydration to dry, dehydrated and tired skin. It combines the emollient and elasticizing strength of Sweet Almond Oil and Macadamia Oil, with the intense rejuvenating and protective activity of Shea Butter and vitamin E, maintaining the skin healthy, energetic and vital. With the essence of natural active ingredients, it restores the body's health and radiance at multiple levels.

The fresh, easy-absorbing texture delivers wellness and a sensation of tonicity to every application. We recommend applying one or more times a day, when necessary, on the whole body, massaging with light circular movements. It is absorbed quickly and is suitable for dry or normal skin and ideal even after bathing.

WITHOUT: Parabens - Silicones - Mineral Oils - Paraffin - Formaldehyde
WITH: Plant Active Ingredients
Dermatologist-tested

Nohra Rêver Body Emulsion contains:

- Sweet Almond Oil: much used in cosmetics for its softening, emollient and nutritive properties. It is recommended in all cases of dry, dehydrated and early aged skin.
- Macadamia Oil: its properties are useful for skin care, especially facials. The properties of macadamia oil derive essentially from the palmitoleic acid contained in it, very similar to that of our sebum, useful to reduce the signs of aging.
- Shea Butter: it is a precious substance extracted from the fruits of a tree in Central Africa. It has extraordinary regenerating properties. It helps protect the skin from solar radiation and can be used in cosmetics for preventing wrinkles.
- Vitamin E: it is a very important protective factor in relation to oxidative phenomena.

INGREDIENTS: Aqua, Ethylhexyl Palmitate, Glycerin, Coco Caprylate, Cetearyl Alcohol, Prunus Amygdalus Dulcis Oil, Cetearth-12, Cetearth-25, Glyceryl Stearate, Butyrospermum Parkii Butter, Macadamia Ternifolia Seed Oil, Argania Spinosa Kernel Oil, Tocopheryl Acetate, Camellia Sinensis Extract, Citric Acid, Royal Jelly, Panthenol, Allantoin, Retinyl Palmitate, Hematite, Tocopherol (mixed), Beta-Sitosterol, Squalene, Sodium Benzoate, Potassium Sorbate, Carbomer, Ethylhexylglycerin, Parfum, Sodium Hydroxide, Phenoxyethanol, Benzyl Alcohol, Dehydroacetic Acid, Lactic Acid, Isoeugenol, Alpha-Isomethyl Ionone, Hydroxycitronellal, Geraniol.

ANTI-FATIGUE
EMULSION
LEG AND FOOT

Nohra Rêver Leg and Foot Anti-fatigue Emulsion is a specific formula, non-greasy and ready-to-absorb. It eliminates the sense of heaviness from legs and feet and is an ideal solution for resting and rehydrating feet and legs. A true beauty treatment is that, in a single step, refreshes, protects and anti-fatigues legs and feet. By using the innovative complex based on plant extracts of Blueberry, Ruscus, Centella and Spruce, it has a specific vessel protective, anti-fatigue and anti-bacterial activity and provides a long-lasting feeling of fresh wellness thanks to the menthol's action. The constant use prevents dryness and keeps the skin hydrated and elastic for a long time.

We recommend applying the Nohra Rêver Legs and Feet Anti-fatigue Emulsion before night rest or in the morning, after the gym or before facing a busy day.

Apply a product nut on the affected areas massaging up to absorption to rebalance the bloodstream. The product does not leave greasy marks or stains on the clothes.
